## JUDA

**JUDA After School Club - Learn it! Live it! Love it!**  
**A programme where LEARNING, CREATIVITY and FUN come together,**  
**where children don't want to miss a week.**

JUDA is a Jewish enrichment programme for all Jewish children, which brings Judaism to life through creative, interactive and stimulating lessons. Using journaling, art, music, cooking and drama, as well as learning through play and discussion, JUDA elevates Jewish learning.

Daily Tefilla (prayer) takes on a personal relevance and familiarity, and Hebrew reading and writing is catered to your child, at their own pace. The core curriculum of JUDA consists of lessons focusing on festival preparation, Torah stories through Heroes and Heroines, Jewish values and mitzvot around the home, all with a personal and relevant lesson. Taught with passion and personal care, our goal is to ensure the individualised success of each student. JUDA takes the traditional Cheder experience and turns it on its head, where Judaism comes alive and children develop a proud Jewish identity to carry into their adult lives.

JUDA currently caters for boys and girls in Years 2-6, with small groups and individual attention, and runs on Tuesday afternoons from 4:30-5:45pm, at Bayit Chabad Lubavitch, Radlett.

Fees for 2022-2023: £17.50 per session, calculated per year and divided into three payments. Payable termly to Lubavitch of Radlett. Due to the limited number of spaces available, a £50 deposit is required per new child to ensure your space (together with the child information form filled in and returned). This deposit will be taken off the fees for the second term. Deposit can be made by cheque, or BACS Barclays Bank, Sort Code 20-29-37 Account number 53278727

To discuss in more detail, or arrange a time to come see JUDA in action, please call Rochel 07960 619 706 or email [Radlett@lubavitchuk.com](mailto:Radlett@lubavitchuk.com)
